There are no funded places in the wraparound sessions.

15 Hours Funding - for eligible 2 year olds

Parents of children eligible to receive 15 hours funding for 2 year olds will receive a voucher code from the Early Years team at LB Hounslow. If you think you might be eligible and you haven't received a code, you can check on the council's Childcare and Early Years website page: **LBH Childcare & Early Years**

15 Hours Funding - for 3 to 5 year olds

All children are eligible for 15 'Universal' hours funding from the beginning of the term after their 3rd birthday. For ASK to claim the funding, children should attend for a minimum of 15 hours (5 sessions) per week.

30 Hours Funding - for eligible 3 to 5 year olds

For ASK to be able to claim the 15 'Extended' hours funding that makes up the 30 hours, eligible parents must have applied for a 30 hours code by the deadline which is the end of the month before the start of each term i.e. August 31st for the Autumn term, December 31st for the Spring term and March 31st for the Summer term. The 30 hours code needs to be given to ASK to complete an online validation before the funding can be claimed.

30 Hours Funding - for eligible children who attend ASK Kindergarten and The Blue School Nursery or St. Mary's Nursery

The Blue School and St. Mary's School claim the first 15 'Universal' hours funding. For eligible children, ASK can claim the 15 'Extended' hours which make up the 30 hours. Please see above for application deadlines.

To check your eligibility for 30 hours funding and to apply, please follow this link to the GOV.UK website: **30 Hours Childcare**

Please note that your 30 hours code needs to be re-confirmed every 3 months by logging into your GOV.UK childcare account.

Funding is for 38 weeks (570 hours total) per school year (September to July). Parents need to complete a Parent Declaration Form which is available from ASK.
